CHANGING LIVES AND STRENGTHENING COMMUNITIES
FOR MORE THAN 140 YEARS

What we do at CRJ

Our mission is to change lives and strengthen communities by advancing policy and delivering individualized services that promote safety, justice, and inclusion.

We empower individuals to overcome social, legal, and policy barriers that limit their opportunities to thrive.

Our impact in FY21

879 individuals received services through CRJ's residential reentry centers serving people transitioning from incarceration back to the community.

265 adults with developmental disabilities enjoyed more independent lives, thanks to CRJ's residential and non-residential programs.

35 states' residents benefitted from adult and youth justice system improvements developed and implemented with support from the Crime and Justice Institute, a division of CRJ.
